

Authorship/Biography Template

Brief Description	An autobiography is a very open ended format, allowing the storyteller to put their story in writing with little to no guidance from the facilitator.
Time Required	At least 1 hour (for consent, overview, and writing time)
Notetaking	The facilitator can be the scribe for the storyteller, if requested. Otherwise, the storyteller writes/takes their own notes. (Trusted AI source could be utilized here, depending on the storyteller's preference).
